Time Allocation

In order to prevent people from waiting all day, we plan to provide an allocated time slot for those who require one. Below are the time slots available for the day. If you have a preference for a particular time of day, please select a time from below and return this sheet with your registration form – we cannot guarantee to allocate this time for you but will strive to do so. If you do not have a preference, we will allocate a time for you. Up to three participants can be allocated to one half-hour time slot.

Please be aware that you will be required to arrive forty five minutes prior to your allocated time slot in order to allow for registration and changing into your wetsuit. If you fail to arrive on time, we will try to allocate you a slot later in the day but this cannot be guaranteed.
